WELCOME

I would like to thank you all for 9 fantastic seasons and welcome to the School's 10th Anniversary! It is wonderful to be able to teach so many lovely students and I look forward to meeting both new and old students.

For any new students I would like to introduce myself:

My name is Sanne Stahnke and I am a trained ballet dancer out of The Royal Danish Theatre and School of American Ballet.

My career has mainly been abroad among others, with the Dutch National Ballet in the Netherlands and on Städtische Bühnen in Frankfurt, Germany. I have been a solo dancer in Theater und Philharmonie in Essen, Germany and in Malmö Stadsteater, Sweden. For the last couple of years of my ballet-career I have worked at the Pantomime Theatre in Tivoli. Alongside my dancing career I have been teaching ballet at all levels.

As we all know classical ballet is a lovely art form, for both amateurs and professionals. It is my intention to give everybody the possibility to train seriously, regardless of their level of ambition.

I am looking forward to August the 15th when yet another exciting season begins, with a lot of sweet and inspiring students.

Thank you,
Sanne Stahnke

Events during the Season:

- Great Ballet School Day at The Royal Theater on a Sunday in March, where many of the children can participate.

- Two big shows for all children and teenagers. More information during the season.

- Apart from regular events the School often performs at festivals, on TV or at Theatres. Last season the School's Junior Company was in Australia and during this season there are plans for both Latvia and China.

See more about the Junior Company on the School's website.

Upcoming events will be posted on www.ballet-skolen.dk.

Relatives may watch the classes on the first class in November and February.
